

Colchester English Study Centre

Teacher Training Courses

Accredited by the

Teacher Training courses

Colchester English Study Centre has offered teacher-training courses to teachers and trainers from all over the world since 1969. Students who register on this course will benefit from many years of teacher training at the highest level.

As the demand for English increases worldwide, teachers must respond by keeping their knowledge of the language and their teaching methodologies up to date and relevant.

Colchester English Study Centre has offered teacher-training courses to teachers and trainers from all over the world since 1969. Students who register on this course will benefit from many years of teacher training at the highest level, and from resources which are second to none.

Typically, teachers' courses combine 20 x 50-minute lessons a week of Main Course with 10 x 50-minute week teacher training. Content includes:

- Communicative Language Teaching
- Teaching and Learning Vocabulary
- Techniques of Skills Development (Listening, Reading, Writing, Speaking)
- Using computers and the Internet
- Making and using visual aids
- Materials Evaluation
- Course Design
- Testing and Correction
- Multiple Intelligences and Learning Styles

Previous courses have included:
