

# General English: Main Course

**Our Main Course aims to improve general English. It consists of 20 lessons each week. This is equivalent to 16 hours and 40 minutes. It is intended for students of all nationalities and levels who need to improve their language for work or study. The courses are at levels from A0 (beginner) to C1 (advanced).**

**This course can provide a quick boost to the student's language over a short period, or it can be joined for a longer period to provide a long-term change in proficiency or as preparation for an academic preparation course such as IELTS.**

## Why take Main Course English?

Our *Main Course* is a general English language improvement course which teaches students how to use English in a variety of real-life situations.

Lesson content of this course is based on an up to date course book and supplementary materials and activities provided by the teacher.

Enrolment is open and students can join this course most Mondays\* throughout the year.
